**If you responded with a score of 3 or below for one of the previous items in course design, instructional practices, assessment practices, course impacts, or student engagement, please describe a change that you believe would improve that aspect of the course.**

- I have no complaints.
- None
- I didnt
- I put a 2 for the amount of time spent on this course each week. This is appropriate because it is a course that doesn't require an insane amount of studying if you learn the info and do not fall behind.
- N/A
- I answered a 2 on the hours outside of class. I think that this was reasonable.

**Response Rate:** 13/35 (37.14 %)

**If you responded with a score of 4 or 5 for one of the previous items in course design, instructional practices, assessment practices, course impacts, or student engagement, please comment on what aspect of the course led to your score.**

- The way that she went over examples using each of the topics for that section and made sure that we are able to understand the information and that we will be able to do it on the exams.
- Teacher is clear, and answers questions very well.
- My teacher was great, and the materials provided were very helpful.
- The teacher explains things very good
- I liked the accessibility of my instructor as well as her teaching methods.
- Teacher does a very good job teaching the material, the material itself is just very hard to grasp.
- I think everything was clearly communicated, and assignments aligned with the course and exams. I found the classwork helpful.
- My professor was able to answer any questions i had outside of class
- I gave many 5's because I liked the course and felt it was taught well.
- Mrs.McKay is a great teacher. She takes time to clearly explain concepts and is very patience when you ask for help. She is also very lenient towards assignments. I wish she also taught 1080 because I would have definitely picked her again.
- Julianne McKay was a very good teacher. She explained things well and answered questions with patience. The workload that she assigned was very reasonable and encouraged learning without being excessive. I learned very well in her class.
